Public and private schools in Maryland, grades K-12 are eligible to participate. Participants must notify staff at check-in what school they are riding for. Each paid class counts as one point for the school of your choice. Classes cannot be counted twice. Only attributed classes will be counted in the school totals.

**We will offer a private class just for your school!**

Gather 10 people for barre or 15 for bike and we will work with you to set a private class time. Each person in the class will count towards your school goal!

The amount donated will be based on the number of attributed paid classes ridden by September 30, 2019. Cabin John Studio only. There is no limit on the number of attributed paid classes that will be counted.
